FLORIDA VAN COUNCIL

Minutes of the January 13, 2024 meeting at River Forest Group Camping Area in the Ocala National Forest near Deland are as follows:

Konehead called the meeting to order at 12:14 PM.

Minutes of the November 11, 2023 meeting were read and approved.

There were 10 clubs present and 1 Excused Absence (out of 18 clubs total) during roll call.

TREASURER'S REPORT:

Linard gave the treasurer's report.

NEWSLETTER REPORT:

Gnarly gave the newsletter report and thanked those who gave input. He noted that the deadline for inputs to the next newsletter is February 3.

VAN-IN UPDATES:

Broward	March 8 - 10, 2024 – Everything the same as usual, except for the date change, to avoid conflict with the CofC 2024 meeting. Click Here for flier

VAN-IN PROPOSALS:

Konehead

October 25 – 27, 2024 – Robinson Ranch - All details the same as before – Vans \$75 pre-reg - \$85 at gate. Motor homes and sleep-in trailers \$90 pre-reg - \$100 at gate. This will be pretty much the same as we have done in the past at this location. Friday – Dinner by Squirrel Caton – Saturday – Free lunch by the Parts House.

VAN-IN UPDATES:

FVC – no update

November 8 - 10, 2024 – FVC meeting and get-together at Doe Lake campground in the Ocala National Forest. More info to follow.

VAN-IN PROPOSALS:

There were no updates, but Judith noted that independent vanners could get together and put on a van-in event, if they choose to do so. It doesn't have to be clubs only.

GENERAL DISCUSSION:

Low thanked all who attended their New Year's Eve party at the new house.

OLD BUSINESS:

There was no old business.

NEW BUSINESS:

Spookytooth asked how many were in attendance at this meeting. There were 10 clubs present, out of 18 clubs total.

He also noted that we should charge at least \$5 for the Friday night catered dinner to help defray some of the cost. We shouldn't expect Squirrel to cater the dinner and absorb all the costs.

A motion by Spookytooth, seonded by Russ, that the FVC pay for the band at Konehead's eVant, up to a maximum of \$800 was carried by a unanimous hand vote.

We discussed the possibility of having liability insurance for events. Mook will look into this and bring us information at the next meeting.

Konehead introduced two vanners who were new to Florida vanning.

Cari made a motion to adjourn and the 33-minute meeting was concluded at 12:47 PM

FVC President

Hi all! The start of another year and vanning. Enjoyed the meeting at river forest, always a beautiful place to spend a weekend, Cale had his Corvair there and let me take it for a ride! Enjoyed driving it and it brought back a lot of memories when I had one. Looking great Cale! Keep up the good work

Next up was freeze for all with Orlando Street vans, great turnout(over 100 vans),lots of fun things to do, good people, good bands and a great time! I'll be going again next year. Time to decide what events I can make this year besides the nationals(lots of places to go and see). Looking forward to going to Sidewinders, check out Lew and Agnes finished house and hang with all the Redneck's. I know we will be nice and warm with the fire! Be safe!

Konehead

(when your with the Kone, your never alone)

FVC Vice President

Hi all,

It was great seeing everyone at Vanners in the Forrest. As unusual the food was really good, the fire was warm and colorful and the company was great.

I spent Christmas in PA and NJ with my daughter, Grandkids and Great grandkids. We all had a great time. Spent time walking on the beach and just chilling. From there I went to OH for the Vans on the Run Big out and Christmas party.

On the way home I stopped at Lou and Agnes's. We went to dinner with Sidewinder and I finally made it home the next day. I had a great time but was really happy to get home to the warm, at least warmer than up north. Looking forward to going to C of C. I'll bring back any info there is but it will probably just be the usual big party.

See you all at Tom's

Judith

FVC Treasurer

Hi Everybody,

The last meeting /truck-in was a fun weekend. Looks like a lot of people did not show up. Why!! What do we have to do to get you there? The weather was nice, and the food was just as good.

This is a beautiful campground. We made the price the same with and without a trailer and seems it didn't matter on the turn out? If the numbers don't go up, it will be harder for clubs to put on an eVant. We will only have meetings and nothing else. What do you think?

The next meeting/eVant is at Sidewinders in White Springs. We will do soup on Friday night. So bring a little to share if you like. We have breakfast on Saturday morning and dinner on Saturday night. Bring a covered dish for Saturday and we will supply the meat. We will do trailer rides and you can bring your 4 wheelers. If you like, bring your noise makers for target practice. Of course, we will have a large fire, I am sure. Power is limited so generators are ok. So please pre-reg, the cost is only \$20.00 but at the gate is \$30.00. Hope to see you there.

Dues are due. See you soon.

Linard

Hey Vanners,

Lookin forward to our annual gathering at Sidewinder's cabin in North Fla. This winter has been a wet & cold one hopefully we get a dry couple days up there. Either way, I know it will be one heck of a nice fire.

I hope y'all enjoy this issue and we'll see ya on the road!

FLORIDA VAN COUNCIL - THE HISTORY

The Florida Van Council was organized in September of 1974 to promote the van club movement and statewide truck-ins. One year later, having grown in size from the original five clubs, to 21 member clubs, it became necessary to restructure the organization and, on October 11, 1975, the FVC was re-organized to:

1. Provide co-ordination and sanctioning of statewide events held by the member clubs.
2. Provide statewide communication to all member clubs at and during the intervals between regular scheduled meetings.

It was necessary for the FVC to coordinate events so that no two clubs would schedule a statewide event for the same month, which would result in poor attendance and a possible reduction in the enjoyment for both events. Coordination helped further by limiting statewide sanctioned events to six per year so that Florida vanners didn't get "trucked-out" as they did during the first year of the FVC existence when statewide truck-ins were held every month. "Sanctioned" means the FVC will be sure the member club has selected a site with adequate facilities and will provide assistance in the way of advice to the member club regarding activities, security, gate, check-in, etc. It was decided that this would give each club a free hand in deciding on site locations, activities, van judging (if van judging is part of the event, then the FVC judging rules will be used), etc., but would ensure that minimum facilities would be available for everyone to have a good time, and the host club will have all the FVC knowledge and advice behind it so that previous mistakes are not repeated.

Statewide communication was accomplished at the regular business meetings, by letters from the FVC officers to the Club Reps, and distribution of the FVC Newsletter to each FVC member. At the

time the newsletter was first issued in February of 1976 the council had grown in size to 38 clubs. At the end of 1979 the member clubs numbered 68. Council meetings are held 5 times a year. The meetings are held at campgrounds and most people stay over at least one night. We have found that this is a good way to get to know each other and a great way to exchange ideas.

Active contact was made with other states, regional van councils and other van organizations in 1977, which led to an annual meeting of the Southeastern regional van councils, (FVC, Southern Van Council, Georgia Van Council, North Carolina/South Carolina Van Council) to help coordinate regional events. This Council meeting has turned into a meeting of councils from all over the country with the meetings held in February of each year. This meeting is now called "The Council Of Councils Meeting".

Since its inception the FVC has been on the move, with a continual goal of improvement and better service to its members.
