# COVID-19 Update

## Riots, Protests and Travel issues Update

Vanner's,

Choose your issue in regards to travel right now!

Regardless of your choices, travel is messy and may not be the right choice for some of us right now.

FVC officers have looked at many options over the past months of chaos, and it turns out we get to have a campout meeting this month in June 2020 at the Robinson Ranch.

For those that feel travel is not a prudent option, a new medium of participating in the FVC meeting has become available.

June 13<sup>th</sup>, 2020 is our meeting date and starting at 11am Live from the campground will be a ZOOM meeting channel that members can dial/link/ internet/ google/ computer/ phone/ tablet, ipad, etc. into. This ZOOM videoconference meeting will last the whole meeting and perhaps even later.

Do NOT fear! If you cannot travel and camp, or attend in person, and you don't have a computer or smart phone etc. If you have a crank it up slide the dial landline or access to ANY phone line, you too can participate in this meeting! If you dial the phone number then enter the meeting number when prompted, you will be in the ZOOM meeting voice only (no video).

Gnarly will be monitoring the Zoom portion of the meeting and will make sure those in the Zoom meeting can ask questions, make comments when appropriate and Hear the officers and BE heard.

Zoom Meeting starts at 11am to work out connection issues.

Zoom Link: <https://zoom.us/j/96507460817>

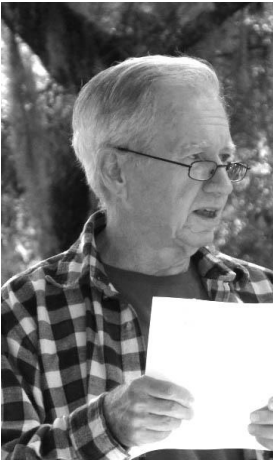

Phone Number to connect: **646 558 8656** (Dial this Number)  
(only for NO computer or smartphone vanners)

*If you are sick or think you might be sick...*

STAY HOME and stay connected with ZOOM 😊

## **FLORIDA VAN COUNCIL**

Minutes of the January 18, 2020 meeting at River Forest Group Camping area in the Ocala National Forest near Deland, are as follows:

Konehead called the meeting to order. He noted that Joe Van and C van were in a bad accident yesterday which totaled the van and the camper, but they are at home resting now. He also noted that Ed Fucci (Zelda) has passed away. He will be leading a caravan from Freeze For All #12 in St. Cloud to Rita's house in Lakeland starting about 8:30 AM on Saturday morning, January 25. From Rita's the caravan will continue to the church for the service.

Minutes of the November 16, 2019 meeting were read and approved. Those minutes said the November 16 meeting was concluded without a formal motion to adjourn. Spooky Tooth made a motion to adjourn that meeting so that this meeting could properly start.

There were 12 clubs present and NO Excused Absence (out of 16 clubs total) during roll call. Coastal showed up after roll call, bringing the total clubs in attendance to 13.

**TREASURER'S REPORT:** Mook gave the Treasurer's report.

### **NEWSLETTER REPORT:**

Gnarly gave the newsletter report and noted that, with 3 meetings a year, there will be 3 issues of the newsletter per year. This also means that you won't get a January newsletter if your dues for 2021 are not paid by December 31, 2020. It's a lot better to pay at the November meeting. The holidays are hectic enough without having to also see who's paid and get the newsletter done and printed ahead of the January meeting. The deadline for inputs to the next newsletter is April 26.

### **VAN-IN UPDATES:**

**Broward March 13 - 15, 2020** - Broward's Laid Back Hillbilly Weekend - Sidewinder's in White Springs. Will do breakfast. PLEASE pre-reg. Even if you can't pre-reg, please let us know you're coming so we know how much meat to prepare. \$20 per van, pre-reg or at the gate'

**Adventure Vans of FL**      **October 23 - 25, 2020** - Robinson Ranch  
- Halloween theme. Covered dish. Flier will be available by next  
weekend at Freeze For All #12. Games, dash plaques, t-shirts,  
van show.

### **VAN-IN PROPOSALS:**

No new Van-in proposals. Mook noted that we won't be able to get Ross Prairie for an event on Labor Day as it is already booked. A motion by Agnes that we go ahead and book this location (River Forest Group Camping Area) for this time in 2021 was carried by a hand vote.

### **MEETING DATES the remainder of 2020:**

*June 2020* - Robinson Ranch, Dunnellon. Nomination of FVC officers for 2021.

*November - 2020*      Floridian Sandalwood RV resort in St. Cloud - Lew noted that we need at least 10 vans to show up for the night to get a price break. This will be the election of officers for 2021 and the annual pig roast meeting.

### **OLD BUSINESS:**

There was no old business

### **NEW BUSINESS:**

Judith noted that the 48th Nats in Minnesota has Winnebago as a corporate sponsor. She asked the group if anyone cared whether there was an actual goodie bag at the Nats. Nobody felt it was necessary. You'd still get your dash plaque, bible, etc. They would just be in an envelope.

Spooky Tooth noted that we need to encourage pre-reg. There should be a difference between pre-reg price and gate price of at least \$10 for eVants.

### **OPEN DISCUSSION:**

Konehead suggested that the FVC give something back to the members, such as paying Saturday night's camping for each van attending the June meeting if the members dues are paid up. A motion was made and discarded after the discussion started. It was noted that a night's camping would cost more than we collect from dues for a member, so that's not really a feasible option. And, it couldn't really be implemented by the June meeting. Judith suggested we give something like a discount or free meal at some future meeting.

Bob (Caravans of Jacksonville) noted that Thumper has Stage 2 and 3 lung cancer. There will be a surprise party for him on February 1 from 5 to 7 PM at Copeland's Restaurant on the South Side of Jacksonville.

Five vanners noted that they were going to the 2020 CofC meeting in Milwaukee. Theme for the Friday night party is to wear anything pink and support their charity. The theme for Saturday night party is "Make a Spectacle of Yourself." Attire is pajamas and oversize glasses.

In response to a question as to how the Nats sites are located, Judith explained the bid system. Prospective hosts make a bid and submit it to the Nats board. If accepted, the site will be what the bid says it will be. The site generally moves around the U.S. There were 732 vans at the last Nats.

Judith noted that, while everyone is invited to the Nats Board meeting (held at every CofC eVant) very few vanners actually show up. She has suggested moving the Nats Board meeting to Saturday, just after the CofC Business meeting. Most of the vanners at this meeting said they would probably go to the meeting if it were held on Saturday after the CofC Business meeting.

Judith made a motion to adjourn and the 54 minute long meeting was concluded.

Respectfully submitted,

Scribe John  
Secretary

## FVC President

Hello boys and girls!

Hope everyone is safe and well, we don't know what the future will hold with this virus and how it will affect our lives and vanning.

The January meeting was another great time with a good turnout, glad Joe and c-van are safe after their accident.

Good food for the pot luck and a nice fire to hang out at. Hope to see everyone in June at Robinson ranch.

The following weekend we went to freeze 4 all at the Floridian RV Resort by Orlando street vans. About 50 vans turned out and everyone had a large time, I left Saturday and a few vanners to ride over for Ed's (zelda) celebration of life, very nice service and a nice time at the clubhouse, Godspeed Ed and save me a spot at the truck-ins up there!

We also lost Thumper, that sucks, he was a good guy and a true Vanner.

Beginning of February, we went to the Council of Councils in Milwaukee, snowed and cold up there, Wisconsin did a great job and plenty of fun was had. Saw many vanners from all over and enjoyed spending time with them.

Next, we were off to Sidewinder's for his annual party, great fire and food, shooting and riding the back 40, well worth the trip.

Then the pandemic hit and shut everything down, including many van runs and the National truck in. hopefully we can get back to normal and go vanning!

I found a 1978 Chevy Nomad van that is in great shape and needs very little work. I have been cleaning it up and getting it road ready to hit some van runs!

Mountain mayhem is still on June 5-7 in Erwin, Tennessee, the following weekend is the FVC meeting at Robinson ranch. Our van run is still a go the 24-26 of October. Let's get out and have some fun but with social distance in mind.

Konehead (when you're with the Kone, your never alone)

## **FVC Vice President**

Hello Vanners,

This year has started out a little rough for us as most of you know we were involved in a bad accident on the way to the January meeting resulting in us missing that event ...

"Thank You" to everyone that replied on our post's and called us to see if we were OK we had calls from all over the country. Unfortunately, we were unable to make sidewinder event also, then the virus kicked in and it's been two months of staying at home...

We just reopened my auto repair shop a couple weeks ago and we are trying to get back to normal it's been a tough start to the new year for all of us but we are all being smart and staying safe and it will be worth it when its all over...

The June meeting will be our next get together and we are looking forward to it and a lot needs to be discussed at the meeting plus an update on our event in October.

We are looking forward to seeing everyone soon and making up for lost time....Stay Safe ...

Vice President...Joe Van...

### **From the Editor...**

Crazy and unprecedented – This is what 2020 brings. Messy, very messy also best describes our collective situation. Messy, also describes all of our personal lives having to deal with 2020 and what it brings to us all. Please be kind and understanding with each other and the vanning world, we are all having messy times.

Embrace the new, the change, & most of all the challenging times we all face together going forward in 2020 and beyond.

Peace, Love, & Vanning

Gnarly

Hello everyone.

I hope you are all well and safe during these weird times.

I miss vanning and getting out with my vanning community. It won't be long until we will be burning up the roads together again.

Stay well and take care of yourselves.

Best wishes,  
Cari@hutsluttours

Since the last meeting, not much has happened in the vanning community. However, I did sign up for The Virtual event by Don Noone and his son Brandon. Took most of the day to get the campsite ready. Safety meeting went off without a hitch. We had several Just to be sure. Friends and neighbors stopped by to see what was going on, just like at a real event. Later, Mook helped me get on several times, not sure about that part of the Event. The DJ did a good job and played a great selection of music. I spent a lot of time texting Mook and Cari. Then, a group from SOVC. I couldn't get any of our visitors to dance with me, but we had a lot of fun.

Then, we had an impromptu get together at Tommy's in White Springs. No event there would be complete without working on the equipment, target practice, or building a fire. Randy finally accomplished his goal. He not only burned all the wood at the fire circle. Tom made four smaller piles from scrub-brush around the pond which got burned too!

Looking forward to the Meeting in June. We will be heading out after that. Not really sure where we are going, so far our first planned stop is going to be Arches National Park in Moab, Utah. Then, maybe some boondocking at a few friends houses. Who knows where we might show up?

Have a great summer! Not sure when we might return to Florida! Hope to see you along the way!

Keep on vanning!

# **Van Nationals 2020 Postponed**

## **Virtual Evant Planned!**

Hi Fellow Vanner's

As most of you know by now the Nationals have been postponed until July 7-11, 2021. That being said, we thought we would do some things a little different this year. The National Truck-In Board® will be hosting a virtual van-in known as the Viral Van Nationals on social media the weekend July 9-12, 2020. What we need from your group is to commit to hosting an eVANT in your area. This could be a small gathering in your yard or park, a club happy hour, Barbeque, cruise night or whatever works for the restrictions in your area at that time. You would then do a live video of your eVANT and post it at a specific time. What this may mean is doing a live takeover of the special Viral Van-In page we are creating on social media. Of course, we are still working on the details at this time and will get back to you on how to do this.

We will also be hosting a Virtual Van Show. We would like you to do a one-minute video of your van and we will post that as well. We will judge the vans and virtual awards will be given.

There will also be a Bible for the event. It will more than likely be printed not virtual. For this we would like you to do a short synopsis of your club or an event you host. If your event has been postponed and you have a flyer or dates, we will be printing them as well. If you want to participate in the Bible please have your story submitted to me @ Judpilon@aol.com by the 1st of June.

Music for the event will be selected by each group as well. Your club is encouraged to make a play list of your songs via the popular streaming services like itunes or spotify and provide us with a QR Code for the bible so that participants at home can scan your code with their phone and hear your party playlist during the weekend as well.

Those who are pre-registered for the Nationals will be sent some small collectable items that would not be available to others. We are also going to make a group of items a "Truck-In pack" with some commemorative items to use while we are vanning from home. When this becomes available, we will let you know.

Keep on Vanning  
Judith Pilon

National Truck-In Board®

Scott Bucko from County Line Vans in Wisconsin passed away on May 18. He leaves 2 sons and his girlfriend Pam of 10 years. He will be missed by all.

Hi all,

Hope this finds you all healthy and in good spirits. I'm leaving for Ohio on the 2nd or 3rd of June so I'll see some of you in the fall at GSVR.

As you all know the Nationals has been postponed until July 7-11, 2021. It will still

be in MN. We are going to send everyone who leaves their pre-reg in place some items. Not sure all what it will be at this time.

The National Truck-in Board is working on hosting a Viral Van-in. July 9-12 At this time we are planning a virtual van show. If you would like to participate in the show please do a 1 min. video of your van and as soon as we have the info to send it I'll let you know. We also ask that you have a party and do a video of your party. We will give you a time slot to post it on a page we are making. When you figure out your party info e-mail the info to me and I'll get you the site, time and pass word to access the site. We are also doing a Bible. Send me a brief history of you club/council or eVANT. If you have your dates for your event and a flyer send it to me and it will be included at no cost. You can also create a music list and add a QR coded to it and we will put it in the bible. That way other vanner's can listen to you groups favorite music.

We of course are in the planning stage of this event and will get you all the info as soon as we can. Watch the Nats Board FB page and my FB page info. Or you can call me 407-484-2234. Or e-mail [Judpilon@aol.com](mailto:Judpilon@aol.com)

Keep on vanning and stay safe
