He noted that the correct address for inputs is [news@floridavancouncil.com](mailto:news@floridavancouncil.com). Don't hand a scrap of paper with newsletter input on it to him around the campfire at an event and expect it to be in the next newsletter. Scraps of paper do get lost.

#### **VAN-IN PROPOSALS:**

No new van-in proposals.

#### **MEETING DATES for 2021:**

August 21      Endless Summer Campground in Port Orange

#### **OLD BUSINESS:**

A motion by Judith, seconded by Lew, to pass a Resolution to the FVC By-Laws that “The FVC will sponsor, annually, a Full Page Ad in the NATS and CofC booklets (aka “bibles”) and a First Place NATS Trophy” was carried by a hand vote of 12 FOR, none AGAINST, and one ABSTENTION.

#### **OPEN DISCUSSION:**

Linard didn't get the information on prices and quantities for patches made with the new FVC artwork. He'll get with Joe and have the information for us at the August meeting..

Sidewinder thanked Terry for the use of his tractor this weekend to make that amazing bonfire

Konehead noted that 4 of the FVC officers made it to the Endless Summer Campground to see if it was suitable for a meeting and they found it was excellent. See the flier for details.

Lew noted that other folks try not to have meetings and events combined. Folks see that there is an FVC meeting on Saturday and they feel like they are not welcome. They don't realize that non-members are welcome at our meetings. They can express their thoughts and listen to ours. They just can't vote. Maybe we should make that clear in our fliers.

Gus noted that anyone who wants to get a Rat City Vans T-shirt should call Al Koch 860-539-6560. T-shirts are \$15 plus shipping.

Cari made a motion to adjourn and the 46 minute long meeting was concluded.

Respectfully submitted,

Scribe John, Secretary

## FVC President

Hello all,

Been a while since we have had a meeting.

Sidewinders was a lot of fun as usual, good food and friends and of course a bonfire! Good turnout in a fantastic location. Next on the list was meyhem, another great time with the green demons, there were a few issues with the campground, hopefully every

issue will be addressed before turkey van run. Had a good group from out and town and out of state vanners that showed up! Nice to see some younger vanners from different parts of the country. Great turnout and hats off for a job well done!

Next up was Heavy in the Holler in Tennessee hosted by renegade vans, great turnout! Renegade knows how to have fun and the campground is on the river, beautiful campground and rick(the owner) is very easy to work with. We pulled in Thursday, unloaded and set up camp, there was as much or as little to do! (No pressure).

Had a few vanners from adventure vans camp out July 4th weekend to hang out and finish planning for adventure run at the end of October (22-24), you can arrive early and stay late. Hope to see everyone there. Fun, games, tiki bar, same band as last year, fire pit, and trophies, fun for all!

See u there!!!

Could not make it to the natz this year, but will be going to Ohio next year!

Looking forward to the campout/meeting at endless summer. Hope to have a good turn out in a beautiful campground!

Konehead

(when your with the Kone, your never alone)

## FVC Treasurer

Hi all!!! I hope you are being safe. It seems to be happening again. Hospitals are filling up again. I hope you got your vaccine shot. Don't be the problem be the solution. We had ours back in January and we are still alive. If we want to get rid of this thing, we need to pass the word. Let's party safe and not have to worry the person next to you is not vaccinated. Maybe we need a button that says "I'am Vaccinated". GET YOUR SHOT PLEASE.

Broward would like to thank everyone that made it to Sidewinder's once again. We had a good crowd and lots of firewood. Food and fireworks (if you know what I mean) and good times. The weather was nice and cool, well worth the trip up north. Let's do it again next year.

The next meeting is in Port Orange. It is a nice campground with a nice pool. Plan to spend Friday night also and make a weekend out of it. You won't regret it. I know I am looking forward to it. I missed Nat's this year. So, call the campground and reserve you spot. I will be looking forward to seeing you there. Did you get your shot??? I can't say it enough.

Cherokee is next on the agenda in October, and this will be our first year. We are making it a mini vacation. Going to the in-laws in Clyde before the truck-in for a few days. Then down to the truck-in. I can't wait to retire and not have to rush home for work. We are looking forward to this one.

Advanture Vans is in October also and I am sure they have lots of fun planned. Another nice campground, so get your pre-reg in. That's it for now, so be safe. Get your shot if you haven't already.

Linard

## FVC Van Judge

We would like to thank everyone who came out to our house to see Sandie, and show her what real vanning people do for a fellow vanners.

As many know, and a lot that don't know Sandie has cancer, and has lost quite a bit of weight. We are hoping the next surgery helps her. We only ask for prayers.

Thank you to some special vanners who have helped me. Sandie appreciates it also. The love and support has been over whelming.

THANKS SO MUCH.

Taz

For those of you who didn't make it to Minnesota for the 48<sup>th</sup> Van Nationals, Y'all missed some great Northern hospitality...You 'Betcha!

I personally enjoyed the Moonshine tasting, the cribbage tournament, the 'S.L.U.T.' Bus "Blue", Van Show(s). A LOT of vans in the Bright n Shine!

Not to mention some good Bands this year, great time mingling with Vanners from around the Country (and world), although we missed all the Canadian Vanners (Border still closed from CoVid).

I missed many other great adult games day/ night, pub crawl(s), etc. There is NO wrong way to experience a Van Nationals.

Another Great part of Out of state Van evants... travelling. We travelled thru 16 other states, camping in most of them. Visited many great state parks along the way. We visited family in several states of the blood type and the vanner type. We saw some point of interests, oddities, views, fine roads, bad roads, and of course CORN! Speaking of corn, if you don't travel the U.S. in July you are missing out on the BEST corn you'll ever eat, not to mention the cheapest! Also got some other regional culinary yummys! Learning how others in our country buy beer, shop, and normally do things different than the ways we are used to cause a nice pause of reflection, understanding of others, and give more views of awareness than we could have possibly received from staying in Fla. or at home.

Keep on Truckin,

## DISTINCTION BETWEEN GUTS & BALLS

To those of you who are nit pickers about the meaning of words: There's a medical distinction between Guts and Balls. We've all heard about people having Guts and Balls, but do you really know the difference between them?

In effort to keep you informed, here are the definitions.

**GUTS** - Is arriving home late, after a night out with the boys, being met by your wife with a broom, and having the Guts to ask, "Are you still cleaning, or are you flying somewhere?"

**BALLS** - Is coming home late after a night out with the boys, smelling of perfume and beer, with lipstick on your collar, and slapping your wife on the bottom and having Balls to say, "You're next, chubby!"

I hope this clears up any confusion on the definitions.

Medically speaking, there's no difference in the outcome. Both result in death.

I have been having fun in summer camp. I did a 13 day, 13 state trip up to Nats and back by myself. Woo hoo! Tired but so happy to have been able to attend and see so many of my Non-Floriduh Friends. What a great time!

Looking forward to getting a few more van evants under my belt this year. Also doing some traveling with non-vanner friends. Yay! I hope everyone has a great summer.

Be careful.  
Be safe.
